Reasons for Allowance

1. The following is an examiner's statement of reasons for allowance: the prior art of record fails to teach or fairly suggest a caster assembly of a luggage in the entire claimed combination including a cavity having an upright front wall and a slanted rear wall; a pendulum member located in the cavity and being movable between engaged and disengaged positions, wherein, when the luggage is tilted in a predetermined direction, the pendulum member pivoting to the engaged position and a lower section thereof is inserted into the positioning slot of the wheel mount locking the wheel mount in a predetermined position, and, when the luggage is in an upright position, the pendulum member pivoting to the disengaged position and the lower section of the pendulum member separating from the positioning slot of the wheel mount allowing the wheel mount to rotate.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
